

MINUTES OF THE REGULAR MEETING OF THE MRAC HELD ON OCT. 9, 1941

The meeting was called to order by Pres. Kircher at 8:10 PM and 57 men answered roll call of whom 35 were Club members.

The minutes of the previous meeting were approved as read by the Secretary.

Pres. Kircher introduced the following visitors: W9lsh, W9wom, W9col, W9isa, W9avk, W6kzl, W4dxi, W8sfo, W9gsp, and Don Hayner.

Kircher read the minutes of the last Chicago Area Radio Council held Sept. 19th. He also read a message from ARRL asking all amateurs to refuse messages to Navy men aboard ships but to send them c/o the Postmaster in New York or San Francisco instead of attempting to relay them direct.

Director Meyer introduced Mr. Feldman W9etp, of the Stancor Manufacturing Co., who gave a very interesting talk on the new DC-3 Transmitter his company has developed. This unit is a complete 8 watt transmitter requiring a power source of only 6 or 12 volts DC and it works on either one of two crystal frequencies. He also commented the Model 69 transmitter rated at 60 watts input.

Four new members were inquisitioned by Wollaeger aided and abetted by Doyle.

Kircher, the Chairman of the Bowling Party, set the date for Dec. 6th provided alleys can be obtained on that date.

Ruger spoke on the coming Sweepstakes Contest and urged the cooperation of the entire Club.

Mr. Zander talked briefly on the Hobby Show and accepted volunteers to assist with the work involved.

Kircher read a letter from John Huntoon in regard to Mr. Handy W1bdi, who is to be our guest on Oct. 29th at the Schlitz Brown Bottle. He also read the card to be sent to all Milwaukee Hams notifying them of the Get To Gether.

Mr. Spratler, a new member ably described and demonstrated the magnetic qualities of a new alloy called Viscalloy. A miniature magnet made of this material lifted 112 times its own weight showing its commercial application to be many.

Felber conducted a very successful raffle and the meeting was declared adjourned at 9:58 PM.

Respectfully submitted,

*Reid H. Burrows* Secy.
